Severe Weather/School Closure Notification

Hertfordshire County Council has changed the way that you will be notified if a school is closed. Please sign up to the Everbridge system via the following link:

<https://member.everbridge.net/index/892807736725489>

This link will direct you to the “Sign Up” page where you should click on the “sign up” button and follow the instructions. It should take no more than five minutes to register and you can edit your information at any time should your contact details change. If you have children at more than one school, you can register for those schools too in a single registration process.

Please register as soon as possible so that your text and email alerts are set up. Should we ever need to close the school we will try to update the website or send a message using School Comms but sometimes the system crashes. The quickest way to receive any alerts will be via the Everbridge system.

This week:

Happy New Year everyone! The staff and I would like to thank you for the Christmas cards and gifts sent in; it was very thoughtful and much appreciated, thank you.

It has been great to see all the children back in school this week. KS1 enjoyed a performance of our dance and cheerleading groups in assembly today. KS2 will see this on Monday.

On Monday, during our staff training we discussed the power of positivity and how just a little kindness can change someone’s day. Watch this space for one new initiative next week!

I am delighted to welcome Mr Stanway to the Year 6 team and also Miss Palumbo who has returned to work with us across several year groups.

We have decided to run the assessment evening again due to the positive feedback we received after the last one. This will take place on Tuesday 22nd January at 6pm.

Have a lovely weekend.

Rebecca Negrello

Please have a school meal next Thursday!

We strongly encourage all children to have a school meal next Thursday. This is because 17th January is a date on which data is collected by the Government, including the uptake of school meals by children. This partly determines the funding the school receives, and so the more children having a school meal that day means that we will have more money to spend on their education. Please support us in this initiative.

Winter Clothing

Please ensure your child has a coat, hat and gloves (named, please!) to keep warm at break times.

Boots will be allowed to be worn by girls in the winter. They need to be ankle height, no Uggs and no heels.

Parking

A further reminder for parents to not park on Dairy Way when dropping off/collecting children please

Netball Club

Netball Club will resume on Thursday 7th February.

The Elms – after school sports club

Leavesden Country Park

The monthly volunteering session on the second Saturday of each month takes place this weekend, from 9:30am to midday. Volunteers should meet outside the Leavesden HIVE (and Woodlands Café). Please wear gloves and sturdy footwear; the group will be doing low level sycamore clearance.
