

It has been a great first full week at school! The children have transitioned really well into their new classes and have been working hard. Your children will bring home an information pack from their teacher next week. You are then invited to come into school on Thursday 20th September between 3.15pm – 4pm for an informal chat with your new class teacher, should you have any queries or questions you wish to ask. We look forward to seeing lots of you there.

I hope you have a great weekend.

Our wonderful new Year 6 captains!

Class Dojo

You may have heard your children talking about their class Dojo. This is a new reward scheme we have adopted, which is proving really popular with the children already! A weekly target is set individually and by achieving this it will contribute to a reward at the end of term. The target will increase over time as the expectations become higher.

Summer Reading Challenge

Well done to all of those who have completed the summer reading challenge at the library. If you would like to bring in your certificates and medals to school, we would love to see them:

Y1-Y3: Thursday 20th September

Y4-Y6: Wednesday 19th September

Reading Records and Planners

Please can you ensure you sign your child's reading record or planner at least 3 times a week to show that reading has taken place.

Youth Choir

St Lawrence Church is looking for new singers from Year 4 upwards for its youth choir. It meets every Friday in term time from 6.15pm to 7pm in the new extension at the back of church. We sing a wide range of music - this term a lot from 'The Greatest Showman' - and at one church service a month as well as regular concerts. You don't have to be brilliantly musical or very religious, just enthusiastic, willing to learn and on occasion eat lots of pizza! It is fantastic fun and all free... first session this year is Friday 21st.

Please contact Peter Waddell, the vicar, on 07552 359046 for any more info.

Maths Rock Stars

Children in Y1-Y6 have received their TT Rockstars login, a website to improve their timetables. They should be accessing this regularly. Awards are going to be given out for the most improved times table rocker!
