

It has been a great week in school! I have scheduled several information sessions for parents to help keep you up to speed with our school priorities. We will run a phonics session this term and then a maths session in the Spring term. In addition to this, I felt it would be beneficial to run an evening on assessment and data. This will provide you with information on how we assess children's progress and attainment as well as our own school picture regarding data. Dates are below.

I am looking forward to seeing you at parents evening next week. Have a great weekend.  
Rebecca Negrello

Remember garage sessions will be practicing the tables class teachers have set and studio sessions get you on the speed leader board. A special mention to Mason Ewen-Hambrook who is our second Rock Hero with an average speed of 0.97 seconds per question! Well done to Year 6, Year 4 and 2 Dahl on winning their battles this week! Keep up the hard work.

## **Dairy Way Parking**

Please can I ask again that you refrain from parking in Dairy Way. The residents have been in touch again regarding parents who are parking there and we like to keep our local residents happy!

A reminder that the Harvest Festival assembly takes place on Thursday 25 September; please bring your donations before this date to your child's classroom.

Advance notice that from January 2019, the price of school meals will rise by 10p to £2.50. There are no changes to the rules for children who are not charged for meals (eg those in Key Stage 1)

This will be the first price increase for almost two years. It is possible that Herts Catering Limited, the company which supplies our school meals, will raise prices again in April 2019 and we will inform parents if this proves to be the case.
