

What a great week! It has been wonderful to finally have some lovely weather. Please remember to apply sun cream before coming to school. I would suggest factor 50 which lasts for 8 hours / the school day to see the children through as well as a sun hat and water bottle to protect from the heat. Please do not send in any sun cream to school. Enjoy the weather this weekend!

Parents Session on Mind Up

I'm looking forward to the Mind Up session for parents this Monday at 9am – 10am. Please come and support school. This is an opportunity for you to see what we are covering with the children in school. The children are really enjoying learning about mindfulness and it would be great for you to be involved as well. Please come to the school office.

Golf Sixes

We have been sent information regarding the forthcoming 'Golf Sixes' event being hosted at the Centurion Club, Hemel Hempstead.

The council are offering free tickets to children to attend the event on Saturday 5th and Sunday 6th May. The number of free tickets available is on a first come first served basis. There are also reduced price adult and family tickets.

Abbots Carnival Prince and Princess

Abbots Langley Community Centre took over the Carnival Queen competition at the Abbots Langley Carnival last year, to give local primary school children (from Reception to Year 6) the opportunity to enter. Two pupils from our school were the lucky winners last year. Parents can apply by downloading an application form on their website

<http://www.abbotslangleycommunitycentre.co.uk> and emailing entries to

alcarnivalcrown2018@gmail.com by the closing date of 12th May 2018. The winning competition winners will get the chance to ride in a horse and carriage, be crowned Prince and Princess of the carnival, lead the parade through the village and win a free party booking at the community centre.

Attendance

If your child managed 100% attendance last term (January – Easter) then they will be awarded a special attendance sticker. There will be the opportunity to receive one of these stickers at the end of this term as well.

Y6 Tag Rugby

Well done to all the Year 6 children who represented Abbots yesterday at the Tag Rugby festival. They were a real credit to school, showing determination, great team work and most importantly excellent sportsmanship.

The three teams played a total of 21 games. We lost only 3 of those games. The festival is to develop the grass roots of rugby and Fullerians (who hosted the festival today) would love to see some new faces at the club on Sunday morning.

Homework Club

Homework Club will re-start on Monday 23rd April.

School Dinners

Please discuss the school menu with your children, so that they have an idea of what to order for their lunch, to address any dietary requirements. Please also talk to your children about the importance of keeping their own dinner bands and not switching them with other children.

Water Bottles

Please ensure that your child has a named water bottle in school every day. This aids their learning abilities and is especially important at this time of year due to the weather and as a lot of sporting activities take place in this term.
