

I can't believe that we are at the end of another half term! We have had a fantastic Science week! A big thank you to both Miss Blyth and Miss Atkins who have organised the week to be full of fun and educational activities. I think everyone looks amazing today dressed up! Thank you to Sara Bedford for funding the STEM workshop for Year 1 today, which they have really enjoyed. Thank you as well to ALSA for funding the Space Dome, which all year groups enjoyed yesterday. I really appreciate this support from our community as it means the children receive even more great opportunities. Have a lovely half term and I look forward to seeing you all back on Monday 4th June.

Today's assembly was about how to, 'colour your world with kindness.' I've included the short link we watched so you can take a look at the strong message it portrays.
