## This week:

Welcome back to the summer term! It has been lovely to see the children back with us this week. We have lots of exciting activities planned for this term.

The school has received a very generous donation from Barratt Homes! Each month the company nominates a charity to donate £1,000 to. One of our parents, who works for Barratt Homes, put our school's name forward and was successful in securing the donation! This is amazing and will make a huge difference, thank you!

If any of you have similar schemes at your place of work then please consider nominating the school.

Have a great weekend.

### **Maths Evening for Parents**

We are running an evening for parents on how we teach maths. This will run on Thursday 20<sup>th</sup> June between 6.30pm – 8pm. We will be running activities from all year groups and there will be time to visit different activities if you have more than one child. We often hear parents say that maths is taught in a different way to how they were taught so this will hopefully help you with supporting your children at home with their learning.

### **Esafety Session for Parents**

We have booked a session on online safety for 11<sup>th</sup> June at 6pm.

### **Year 6 Performances**

Year 6 children will be performing their production on Tuesday 9<sup>th</sup> July (6 Rundell parents), Wednesday 10<sup>th</sup> July (6 Lewis parents) and Thursday 11<sup>th</sup> July (6 Wells parents). Each performance will start at 6.30pm. Tickets will follow nearer the time.
