

Another term and school year begins! It has been lovely to see the children return to school full of enthusiasm and excitement! They have done themselves proud this week by moving up to their new year groups and knuckling down to their work after the summer break. I have loved visiting all the classrooms this week to see what the children have been learning. I am looking forward to seeing what the year brings! Have a great weekend.

### The Futsal Factory

One of our dads has set up Futsal development sessions, which will take place at Parmiters School. It sounds like a great opportunity! Please see the attached flyer for more details. We also have flyers in the school office should you wish to pick one up.

### Headteacher Assembly

I have enjoyed seeing the children in my assemblies this week. We have talked about our goals and wishes for the new school year as well as the importance of respecting one another. Each week, I will share a 'thought of the week.' This week's thought is:
