When can my child start Nursery?

Admission to our Nursery class is normally in the September of the academic year in which your child has their 4th birthday.

The School Governors have agreed that if the Nursery has vacant spaces in the Summer Term prior to the academic year in which your child has their 4th birthday, places may be offered for **early entry in April 2019** to the eldest Autumn born children in date of birth order. The definition of Autumn born is those born between 1st September 2015 and 31st December 2015. Parents do not have to accept the early entry offer and their child can start in the September 2019. (If an early offer is refused an offer will be made to the next eldest child)

If your child's birthday is between 1st April and 31st August you wish to defer your child's entry to the following January (2020) your place will be held for you.

Allocation of Sessions

We run both morning and afternoon sessions as detailed above. Please indicate your preferred session on your application form. If parental preference for a session means either the morning or afternoon is oversubscribed or a parent has not stated a preference, allocation will favour the younger children with a morning place, the elder children an afternoon place.

Is attendance flexible?

No. We expect children to attend for 5 mornings or afternoons to benefit from the Nursery curriculum.

As we only offer 15 hour places i.e. 5 mornings or afternoons, we will withdraw an offer if a parent, after accepting a place or upon receipt of the offer, say they want to attend on fewer than 5 mornings or afternoons.

Criteria for Admission to Abbots Langley School Nursery

Parents must apply directly to the Abbots Langley Nursery School and places will be allocated following the school's criteria providing the application is received by the deadline for applications.

If there are fewer applications than places available at the school all applicants will be admitted. If there are more applications than places available, the criteria below will be used to prioritise applications.

- Rule 1:** **Section 324 of the Education Act 1996** requires the governing bodies of all maintained schools to admit a child with a statement of educational needs that names their school. Schools must also admit children with an EHC (Education, Health and Care) Plan that names the school.
- Rule 2:** **Children looked after** by the Local Authority, including children who were previously looked after but were adopted or became subject to a child arrangements order or a special guardianship order. Evidence required.
- Rule 3:** **A Child 'at risk'**- (or the sibling of a child 'at risk') who is the subject of an inter-agency child protection plan. Evidence required.
- Rule 4:** **Medical or social**, children for who, it can be demonstrated that they have a particular medical or social need to go to the school. Evidence required.
A panel of officers will determine whether the evidence provided is sufficiently compelling to meet the requirements of this rule. The evidence must relate specifically to the school applied for and must clearly demonstrate why it is the only school that can meet the child's needs.
- Rule 5:** **Sibling children** who have a sibling on roll at this school in Reception to Year 5 living in the same family home.
- Rule 6:** **Children of a parent who is a permanent member of school staff.** Staff must have been employed at the school for 2 years and have been recruited to fill a post for which there is a demonstrable skill shortage. They must have parental responsibility for the applicant.
- Rule 7:** **Distance**—children who live nearest to the school measured by walking details from Google Maps. The route with fewer miles will apply. If there is a tie break in distance the house nearest the school or the flat nearest the ground floor will receive the offer.

Continuing Interest

Should you not be offered a place, there is no right of appeal. After places have been offered we will maintain a waiting list. A child's position on the waiting list will be determined by the criteria rules 1 to 7 above. A child's position on the waiting list can change as other children join or leave it.

Entry to Reception

Gaining a Nursery place is no guarantee of a main school place in Reception. There is a separate application procedure for the Reception class.

Summer born children (1st April to 31st August birthday)-Entry to Reception

Following guidance issued by the DfE in September 2015, Hertfordshire County Council has amended its policy for summer born children. If parents/carers do not believe their summer born child is ready for entry to Reception in the September following their 4th birthday they may wish to delay application to Reception until the following year.

If, as a parent of a summer born child, you wish for your child to remain in our Nursery for an additional year you do not need to re-apply to keep your child's place, however you must notify us before the end of the Spring term, (i.e.prior to the Easter break). The exact date will be specified in our Newsletter as that time approaches.

We strongly recommend that any parent who is considering this option to firstly discuss their child's needs/development with the Nursery staff.
