

What a week of Science! We have had dinosaurs, owls and amazing experiments! The children have been brilliant and have enjoyed the practical approach we have taken. It has been great to see such enthusiasm in learning; it just sums up our amazing children at Abbots. It was also great to see our brilliant Year 6 children win the cricket tournament yesterday, especially as they did it with good sportsmanship and behaviour. Abbots has had another great week and I must say I am certainly enjoying the learning experiences currently!
