

We have come to the end of another half term. The children have worked so hard this year and they deserve a good break. Next half term is going to be exceptionally busy, with Sports Day, Year 6 plays, Summer Fete and the Open Evening. I would just like to take this opportunity to praise your children for two things this week. We did our 'lockdown' test yesterday and the children were extremely sensible. In addition, the children observed the 2 minutes silence, to remember the victims of the terrible events in Manchester, with real maturity. They have been asking some questions about the incident and many of the classes have spoken about it during class time. I am very proud of our children and I felt that it was important to let you know. Have a great half term!

Sports Day Lunch –Tuesday 20th June

Please discuss with your child if you will be providing them with a packed lunch from home or if they need to order a school packed lunch of Ham or Cheese. They will be asked this during the first week back after half term so we can confirm quantities with the kitchen.
