

What a week! We have been so busy learning and the children have been superstars! As I type this the lovely parent volunteers are preparing for the Summer Fete. If you can help tomorrow morning, please just turn up. We always need volunteers throughout the day, so please come and help. We hope to see as many of you as possible tomorrow, as it looks as if it is going to be a great day. I hope you enjoyed Open Evening this week, as it certainly seemed to be very busy. It is always nice to see the children so excited about having a look around the school that they spend so much time in. Have a super weekend and I hope, early next week, to tell you a fantastic total raised at the fete.

One last time?

I am hoping that this is the last time I am going to write about parking. I have heard that one of our neighbours was called something very unpleasant by a parent from school, during an incident related to parking. Please try not to end up in arguments or similar.

Reception to Year 5....If you are leaving the School

If you are leaving us, perhaps you are moving house or have a confirmed in-year admission to another school, please

- Confirm your child's last day in writing or e-mail to the School Office.
- Tell us your forwarding address and contact telephone number.
- Tell us the name, address and contact number of your child's new school.

If you do not provide this information we have to report your child as Missing in Education! This is not applicable to Nursery and Year 6 children who are transitioning at the end of the academic year. Thank you.
