

Another busy week! It is lovely to see how well your children have settled into their new year groups. The quality of work has been phenomenal! I have seen lots of sophisticated description through a range of writing and it's clear that the children have been focusing on their reasoning skills in Maths. Spotlight have been in to work with some classes and the children have loved these singing and dancing sessions. The children were looking smart on Tuesday and Wednesday for their photographs and we're looking forward to seeing the Reception photographs in the Watford Observer soon. Have a great weekend.

### Circus

Circus tickets are still available. Show starts at 6pm on Friday 13 October. [www.pta-events.co.uk/alsa](http://www.pta-events.co.uk/alsa)

### Tough Ten News

Well done to everyone who took part on Sunday! I have enjoyed seeing all the medals in school this week.

This young man from 2 Blake, did the 1k children's park run and he came 1st from Abbots Langley School and 3rd overall. Despite one of his trainers coming off right at the start of the race, he carried on and did the whole route with only one shoe on!

### Parent Consultations

Reception to Year 6, remember to book your appointment slot! If you have not yet returned your feedback sheet, please send it into school next week.

### Headteacher's Assembly

Well done to 1 Wonderland and 5 Walliams on receiving the most class points this week. They therefore got to sit on the benches in my assembly today.

### Thank you!

A big thank you to Lawsons for donating this shed! We are going to fill it up with lots of playground equipment.

### Protective Behaviour

During PSHE lessons, we will be focussing on protective behaviours. This involves children being aware of who they can speak to if they have a concern in school or at home.
