

This half term seems to be flying by! I am really looking forward to tonight's circus. The tent is taking shape on the school field as I type! I owe a massive thank you to our ALSA committee for organising and running this event as well as to those who have offered to volunteer. Without this support, we wouldn't be able to run fun things like this and raise money for the school. I am looking forward to seeing many of you at next week's parents evening consultations. The kitchen will be providing samples of hot dinners so come and have a taste of what's on offer to the children.

Have a lovely weekend!

Nut Free School

We are a nut free school. This means anything with any traces of nuts cannot come into school. Please can we ensure that all snacks and packed lunches have no nuts in them. We have children in school who are severely allergic and we cannot be putting them at risk.

Macmillan Coffee Morning

We raised an amazing £346.75 at our Macmillan Coffee Morning! Thank you to everyone who supported either by bringing in or buying cakes. A special thank you to Mrs Fletcher and Miss Ellis for running the event!

E safety

We have begun talking about keeping safe when using the Internet. It is vital that our children understand the importance of protecting themselves when accessing the Internet, therefore this will be an on-going topic within school.
