

What a great week! I have really enjoyed spending time with our Nursery and Reception classes this week to work with them and see how much they are progressing. Discos are next Thursday 23rd November. Please drop Y1-Y3 at the main entrance and collect from their classroom. Access to classrooms will be via the gates by Y5 and the bus (not via the main entrance as Y4-Y6 will be arriving for their disco this way) Y4-Y6 will arrive at and leave the disco via the main entrance. Hope this makes sense! Have a lovely weekend.

Mind Cake Sale – Friday December 1st

Two of our Y5 pupils are hosting a cake sale to raise money for Mind – a charity who work ‘for better mental health.’ This idea has come from the children, who have made regular visits to my office to discuss how we can make this work. They were telling me this week that one in ten children in the UK suffer with mental health issues. They have been putting in a lot of work and are super excited about raising both money and awareness. Let’s help them make this a great success by donating cakes on Friday 1st December and then coming to buy cakes at the end of the school day. More details to follow next week!

Assembly

My Headteacher’s assembly today was about keeping safe and happy whilst online. We discussed ideas on how to keep ourselves safe when using the Internet. We learned the slogan, ‘Take care when you share. If in doubt, speak out.’

NSPCC – Speak out. Stay safe!

I have arranged for a visit from the NSPCC to deliver an assembly on 1st December on their ‘Speak Out, Stay Safe’ initiative. This will be a child-friendly, interactive assembly, which will talk about how children can protect themselves and how to get help. They have asked me to send out the attached letter with further information.

Please also see the link to their new Speak out, Stay safe film.
