

It's been another busy week! As you are aware, we have had our Section 8 Ofsted inspection this week. The outcome will be communicated once we have received the report. I am looking forward to continuing to move the school forward, working together and sharing more of my ideas with you in the Spring and Summer terms. There will be Maths, Phonics and E-Safety workshops, providing the opportunity for you to come and discuss how we teach these subjects. Have a great weekend.

Rebecca Negrello

SEN Support

Autumn SEN targets will be reviewed before half term (the Spring Term review). Teachers will be contacting you soon to arrange a meeting to discuss your child's progress towards their outcomes.

Just a reminder that your child's provision is reviewed termly. In the Summer term the meetings will be in the second half of the term as the focus is supporting transition.

Year 6 Easter Booster Sessions

In preparation for the national tests in May, we will be offering booster sessions to all Year 6 pupils over the Easter holidays. These sessions are open to any Year 6 child who would like to come along. They will run on Wednesday 4th and Thursday 5th April in the mornings. More details will follow.

Netball

A reminder for parents of children who attend our after school netball club that it will not be running until after the February half term.

Dinner Money

Please remember to check you school Gateway account on a regular basis if your child has school meals. Your balance will show here and payments can be made online.

Wanted - Quiz Master!

ALSA are holding their popular quiz night on Saturday 24th February and we need a quiz master. All the questions for the night can be arranged for you so we're just looking for someone who would be happy to host the evening by reading the questions. If you have any questions or would be interested please contact - alsacommittee@googlemail.com
